Some Sad News to Report:

The wife of longtime club member, Rev. William Wingrove, passed away unexpectedly on Saturday, July 27, 2024. The Rev. Jane Rathman-Wingrove's obituary (<https://www.thetimesherald.com/obituaries/ppet0894890>) Please feel free to review and respond accordingly, as I know Bill would certainly embrace your condolences, notes of recognition and well-wishes for him and his family!

Huso Avdic wins 4th consecutive Club Championship.

A relentless **Huso Avdic** cruised through the field. A lone draw against **Alan Gregg** was the only hiccup in his otherwise flawless record of complete dominance in corralling his fourth consecutive championship of the Port Huron Chess Club. This would complete a 4-Year undefeated record, a significant achievement for any of the previous consecutive champions. Probably the most significant game of the entire tournament was the first round upset of 17-time former champion, **Lon Rutkofske** by repeat junior champion, **Trenton Klaty** despite the 600+ rating point disparity between the two. **Braeden Klaty** and Alan shared the 2nd place

honors with Braden taking the plaque and splitting the prize money. Trenton came out the real winner in the Klaty family with a championship plaque by repeating as Junior Champion, netting the \$25 and an extra \$10 as upset prize winner!

This year's event was directed for the first time by Alan Gregg with the feature of playing a 5 round swiss system format with games being played on a consecutive monthly schedule.

Members' Games

Please send me what you consider your best games, annotated or not, so that I might be able to showcase them. The following games represent contests that were available at the time of this printing. Email them to me or give them to me personally if you wish. The majority of analyses is done by Fritz 12, unless otherwise indicated. [This a reminder of the change in policy in the PHCC Challenge rules: # 14 - Games can be rated by the USCF, provided both players are members in good standing with the USCF and agree to have it rated by paying in advance to the TD (Lon Rutkofske, or other club official with a valid TD certification card.) of \$1.50@ to cover rating costs.] Updated Challenge rules will follow below:

Format and rules for PHCC Challenge System

- I. Purpose: to provide club members the opportunity to challenge higher rated players on a regular basis to improve and test their skills in over-the-board non-tournament competition.
- II. Regulations: (Effective 11-8-2018)
 - a. Challenges may be made by any club member on the PHCC rating list under the following circumstances:
 1. Can only be made by a lower rated player only.

2. Can only be made during club hours and cannot be made after 8:00PM.
3. Must be played on the same day as the challenge was made, so there can be no advanced challenges.
4. Both players must be present.
5. Only one challenge may be made per meeting.
6. A challenger can only challenge a player that is rated less than 400 points above him on the rating list.
7. All challenges must be accepted.
8. No challenge may be made while a participant is involved in a tournament or challenge game.
9. A clock must be used with the time control of G/60 with 5 second delay; must be recorded by both players and submitted to the rating director upon completion of the game. *(See Sample Score Sheet on page 2)*
10. All challenge games must comply with current tournament rules of chess as established by the US Chess Federation.
11. No challenge game may be adjourned, but if an unusual circumstance arises, the club rating director may adjudicate.
12. No member may be challenged more than one consecutive time by the same challenger. This means that the lower rated player cannot challenge the same player two times in a row. He/she must play another match before this can take place, but this also means that the higher rated player may be challenged by the same rated player consecutively if he has not participated in a match in between challenges within a six- week period. Abuse (I.E: Constant challenges and re-challenges or other annoying or inconsiderate behavior) must be reported to the Director and he has the option of suspending the violator indefinitely from participation in the Challenge system. Disputes will be adjudicated by the ratings director, with the advice of other players as he so wishes.
13. Challenges can take place on the first Thursday of each month, or at any time there is no other tournament or event scheduled.
14. **Games can be rated by the USCF**, provided both players are members in good standing with the USCF and agree to have it rated by paying in advance to the TD (*Lon Rutkofske, or other club official with a valid TD certification card.*) of \$1.50@ to cover rating costs. Results will be rated by the PHCC (*Using the USCF rating system.*) using current PHCC ratings posted at the club and will be adjusted as necessary by the club rating director.
15. Changes will also be posted on the club website. Results will be rated by the PHCC (*Using the USCF rating system.*) using current PHCC ratings posted at the club and will be adjusted as necessary by the club rating director. Changes will also be posted on the club website.

Dues funds are used to offset miscellaneous expenses not funded by the Recreation Department. United States Chess Federation memberships are available through the club.

Ratings:

The following list represents only current members of the Port Huron Chess Club. Current USCF ratings were used for members that had them, to establish the initial club rating list. The USCF rating format is used as the basis for calculating our club rating list. Members that had no USCF ratings are *given* a provisional rating based on their performances against regular club members who had USCF ratings. Club rated events will use these ratings for pairing purposes.
