2015 PHCC Championships begin January 8th

This year's rendition of the PHCC's premier event will have a different flavor than previous editions featuring a computer generated, randomly paired - 7 round, round robin. Last year's champion the "Dark Lord", **Tony West** has opted not to defend his title due to the rigors of his job, college, and a very new baby girl and has fled Mount Doom for parts unknown, leaving the throne of Middle-earth up for grabs and the precious "ring of Mordor" available for the taking. This year's crop of all too familiar rivals – be they wizards, warlords, elves, hobbits' dwarves, orcs, or half-lings are busily crafting their devious plans to shatter the claims of their rivals and seize for themselves the power of the old order. Shielded by the armor of the Sicilian, French, and King's Indian Defenses, and empowered by the stout weaponry of the King's Indian Attack, the English, the Queen's Gambit, seven heroes (**Bill Wingrove, Avery Jones, Noel Bedy, Dave Boucher, Alan Gregg** and **Lon Rutkofske**) sally forth on Cassia's battlefield intent on being the "One" to wear the crown.

Sigh! Okay...coupled with the aforementioned drama, we entreat "Old Man Winter" begging just enough of his cooperation to permit this season's contest to be completed unimpeded by the Polar Vortex and deep snows that snarled last year's efforts. Good luck to all of this year's contestants!

2015 Port Huron Chess Club Championships - Rules and Regulations of Play

The following general rules and regulations of play will govern participation in this year's tournament. All participants should be familiar with these rules and any special rules that govern their play.

General Rules:

1. All play will be governed by the official rules of chess as established by the FIDE and USCF as given in the most current edition of the Official Rules of Chess published by the USCF.

2. Touch rules will be in effect in all games. Both players must record the moves of the game and submit properly completed score sheets to the tournament director (TD) as soon as possible following the completion of the game. Illegal moves cannot be considered without accurate score sheets.
3. A chess timer (clock) must be used in all games. Time controls will be at the rate of "Game in 90 minutes with 5 second/move delay (1 and ½ hours plus 5/sec delay) per player. Play will begin by 7:00 PM at the PHCC or at a time and place agreed upon by both contestants. There will be no adjournments. All games are to be completed within the tournament time limits. Mechanical clock time control will be game in 95 minutes and the clock will be set at 4:25. Prior to the beginning of the game both players are responsible for checking the clock to determine if it is functioning properly and set correctly. Sets and clocks can be checked out at the club, should players need to use club equipment.
4. Only club members may participate in these events. Dues are payable to Lon Rutkofske.
5. It is the responsibility of the players to review the pairings as developed by TD for the next round pairings. Because this is a round robin event, the TD will prepare a complete listing of pairings, dates of rounds and color allocation which will be circulated to each participant prior to the event via email or players can pick them up at the club. An updated list of players and phone numbers will be developed and circulated among participants by the TD. Lon will also email the results and game scores, prior to each round if you have given him your email address.
6. Winners, or the player having the white pieces in the case of a draw, must report the results to the TD.
7. Results should be reported to the TD by noon of the day preceding the next scheduled round.
8. It is the responsibility of the person not present on the date of the scheduled round to meet the reasonable request of his opponent.
9. Byes count as a full point.
10. Disputes arising from play and unresolved by the players shall be submitted to the TD. His decision will be final. This year's TD will be Lon Rutkofske: 605 Lomasney Ln., Marysville, MI 48040 Ph. 810-388-9219 or email me at ishking@aol.com.

Special Rules:

1. This year's event will feature a 7-Rd, Round robin style tournament.

 - Courtesy: Please contact your opponent, if you cannot make it to the club to play your scheduled round. If you email them, but get no response, please call before the scheduled round. Please copy the TD if you use email.
3. A bulletin of completed games will be circulated every other week of play, so make sure that your score sheets are complete and accurate.

4. Phone numbers will be circulated to all players for their records and information in general. The official crosstable will be kept at the club, and will be kept current as results are reported.
5. Ties will be broken using the result of head to head competition.

Format and Rules for 2015 PHCC Challenge System

- I. Purpose: to provide club members the opportunity to challenge higher rated players on a regular basis to improve and test their skills in over the board non-tournament competition.
- II. Regulations: (Effective 1-8-2015)
 - a. Challenges may be made by any club member on the PHCC rating list under the following circumstances:
 1. Can only be made only by a lower rated player.
 2. Can only be made during club hours and cannot be made after 8:00PM.
 3. Must be played on the same day as the challenge was made, so there can be no advanced challenges.
 4. Both players must be present.
 5. Only one challenge may be made per meeting.
 6. Challenger can only challenge a player that is rated less than 400 points above him on the rating list.
 7. All challenges must be accepted.
 8. No challenge may be made while a participant is involved in a tournament or challenge game.
 9. A clock must be used with the time control of G/60 with 5 second delay; must be recorded by both players and submitted to the rating director upon completion of the game. (*See Sample Score Sheet on page 2*)
 10. All challenge games must comply with current tournament rules of chess as established by the US Chess Federation.
 11. No challenge game may be adjourned, but if an unusual circumstance arises, the club rating director may adjudicate.
 12. No member may be challenged more than one consecutive time by the same challenger. This means that the lower rated player cannot challenge the same player two times in a row. He/she must play another match before this can take place, but this also means that the higher rated player may be challenged by the same rated player consecutively if he has not participated in a match in between challenges within a six week period. Abuse (ie: Constant challenges and re-challenges or other annoying or inconsiderate behavior) must be reported to the Director and he has the option of suspending the violator indefinitely from participation in the Challenge system. Disputes will be adjudicated by the ratings director, with the advice of other players as he so wishes.
 13. Challenges can take place on the first Thursday of each month, or at any time there is no other tournament or event scheduled.
 14. Results will be rated using the USCF rating system.
 15. Current PHCC Ratings posted at the club and will be adjusted as necessary by the club rating director. Changes will also be posted on the club website.

PHCC Rating Lists

The following list represents only current members of the Port Huron Chess Club. Current USCF ratings were used for members that had them, in order to establish the initial club rating list. The USCF rating format is used as the basis for calculating our club rating list. Members that had no USCF ratings are given a provisional rating based on their performances against regular club members who had USCF ratings. Club rated events will use these ratings for pairing purposes.
